YAZZ is a classically styled, but modern yacht launched by Aegean Yacht, in 2007. With vast social areas, extensive toys, an attentive crew and even a resident DJ, this yacht offers the perfect platform for entertaining. Offering you the best of both, YAZZ delivers vintage style and excellent service alongside modern systems and facilities, all aimed to provide the maximum guest enjoyment.

With over 110m<sup>2</sup> of deck space on the sundeck alone, and a 10m beam, YAZZ offers guests plenty of space for dining, sun lounging, socialising, and enjoying her however they wish. When enjoying the sun, guests can make the most of the outdoor bar, large dining area, sun lounges, and onboard decks, as they listen to the music provided by

the DJ. For a more intimate experience, guests might retreat to the fully shaded main deck after the dining area. Here you find a further bar, a large 12-seater dining table, and expansive loungers for relaxing. The whole area can also be closed off by canvas screens, meaning total privacy and protection from the elements when wanted.

Upon entering the main saloon, you are met with a vibrant and eclectic mix of colors, furnishings, and artwork. Despite its large size, the main saloon remains an exceptionally warm and inviting indoor area to come and relax. Heading below to the lower deck, you will find all five guest staterooms. There are two full-beam master staterooms situated forward and aft, as well as two doubles and one

twin stateroom at midships. The aft master has access via a private staircase. All staterooms are equipped with smart TV's and luxurious en suites.

YAZZ is equipped with one Pirelli Chase boat (42 ft-900-hp) here, whilst also having a large RIB tender for towing waterskis and inflatables for the adventurous guests. For further motorized fun, there are also two Seabobs and a Seadoo jetski. For those wanting a slower pace, you can try the paddle board, the seabicycle, and yoga on the sundeck.
